

Premium Assistance and the Medically Frail

Identification of Medically Frail

Medically Frail Individuals

Enrollees **self identify** as Medically Frail on single, streamlined application

Medically Frail individuals will **not be permitted** to enroll in QHPs

Individuals will enroll through managed care and have **option of ABP or standard Medicaid** package

Individuals will be identified as medically frail if they indicate that they either:

1. Have a physical, mental or emotional condition that causes limitations in daily activities; or,
2. Reside in a medical facility or nursing home

All Others

DHHS will notify non-Medically Frail individuals they can **self-identify as Medically Frail at any point**

Medically Frail Choice of ABP or Standard Medicaid

Medically frail individuals are excluded from the PAP

In the NHHPP, Medically frail expansion adults will be enrolled into Medicaid managed care.

As required by the Affordable Care Act (ACA), Medically Frail beneficiaries must be offered a choice of the Medicaid Standard benefit package or the ABP.

Differences Between Medicaid Standard and ABP benefits

Health Benefit Differences	Medicaid Standard	ABP
Access to ongoing long-term care services (e.g., nursing homes)		
Help with everyday tasks, like bathing, getting dressed, and preparing meals		
Services to help the enrollee stop using drugs or alcohol		
Limits on the number of visits for some services, like care in a hospital outpatient clinic but there are no limits on emergency care, urgent care, or walk-in care		
Inpatient Hospital Care		
Prescription Drugs		

If you believe you are medically frail, please go to www.nheasy.nh.gov or call 844-275-3447 and tell us so that we can make sure you get the types of benefits you need. You can also send us a letter at Central Scanning Unit, P.O. Box 1810, Concord, NH 03301. You can do this at any time during the year.
