

10 Reasons to contact NH Family Voices

1 My child was just diagnosed, I have all this information but no idea what to do next.

2 I am looking for books or DVDs on my child's diagnosis that I can use to help his teachers & classmates understand him better.

3 My spouse lost their job and now we won't have insurance to cover medical costs for our special needs child and our family.

4 My child's school says she cannot go on a field trip because they do not have a nurse available or anyone to administer medication.

5 I'm looking for a specialist, therapist, respite provider etc.

6 I just found out Medicaid will pay for diapers. How does that work?

7 I need to pick a managed care organization or switch managed care organizations.

8 My child sees a specialist at Children's Hospital in Boston but they say they do not take Medicaid or our insurance.

9 Our doctor is recommending a medication, therapy, piece of equipment for my child that is not covered by our insurance.

10 Where do I go to get diapers, wheelchairs and orthotic braces and other special healthcare products?
