

# NH's Charting the LifeCourse Information and Planning Event

Individuals, Families and Professionals are invited to join NH's Community of Practice to learn about Charting the LifeCourse and how it can be used for person-centered planning at every life stage and for all areas of a person's life.

This event is designed to share information about Charting the LifeCourse and get your feedback on how it can be helpful to you in your role.

## This Event Will:

**Introduce** the Charting the LifeCourse Framework as a foundation for planning a good life.

**Explore** your role in long term and short term planning across the lifespan.

**Inspire** person centered journeys by providing examples and strategies.

**Create** an opportunity for reflection and brainstorming for how this framework can be used for person-centered planning.
